NEWS RELEASE

RSVP Presents “Reaching For Zero”

The Nevada Rural Counties Retired and Senior Volunteer Program (RSVP) is pleased to present for the second year, “Reaching For Zero”, A Veteran Appreciation and Veteran Suicide Prevention and Awareness Brunch, Saturday, April 13th, at 10am, at the Nevada Governor’s Mansion Nevada Room. All proceeds go towards services for Veterans and will help raise awareness of Veteran issues and provide Veterans with suicide prevention resources, transportation, wellness checks, respite care and a wide-ranging support system.

“Veterans who come to us for help have access to RSVP’s Independent Living Programs which is a gateway to lifesaving services. RSVP’s Veterans Volunteers in Partnership (VIP) Program also promotes awareness of veteran issues in the communities we serve, builds community partnerships, and engages volunteers. We partner with the Nevada Office of Suicide Prevention for suicide prevention and awareness and training and the Carson City Sheriff’s Office for wellness checks, emergency medical transport, and priority transportation to the VA Center in Reno. Volunteers drive veterans to much needed services and link up with programs that address the critical needs of veterans. Services include access to medical appointments, caregiver support, respite care, veterans’ resource and outreach programs, veterans workshops and; the opportunity to volunteer and make a real difference in the lives of fellow veterans who have served this county valiantly”, said Susan Haas, Executive Director & C.E.O. of RSVP.

We hope you will join us for this special event to honor our Veterans while enjoying a fabulous brunch, special speakers, Color Guard, live music, a silent auction and raffle. Attendees will also have a chance to win 2 round-trip flight tickets to any Southwest Airlines destination!
