NEWS RELEASE

Marc Sabella named RSVP's Controller in Carson City

"Nevada Rural Counties RSVP Program, Inc. (RSVP) has appointed Marc Sabella to the position of Controller at its Carson City headquarters." said Susan Haas, Executive Director and C.E.O. of RSVP.

Marc graduated from California State University Northridge in 1988 with a BS in Accounting Business Administration. He has been a licensed Certified Public Accountant in the state of California for over 25 years, and has expertise in financial information, services and transactional accounting, investing, tax preparation and other financial services.

His main mission is to provide any financial expertise and a very high level of customer service to his fellow RSVP employees, the board of directors, volunteers and the people of northern and rural Nevada and surrounding communities. "I'm looking forward to being part of making a positive difference in the communities and the industries in which I live and serve, and to help Nevada's seniors and others in need" said Marc Sabella.

You are encouraged to check our website @ www.nevadaruralsvp.org or call (775) 687-4680 x 6 to find out about how you can not only become a volunteer, but how senior citizens in need of help can benefit from our many programs of service.
